

Issue number 17

**Issue: Digestion. I don't talk, I just listen.**

Convener(s): Eva Balzer

Participants: 1 Lady

Summary of discussion, conclusions and/or recommendations:

Digestion is not popular. That might be a good sign. Maybe it is simply neglected and needs attention.

You don't come out with new ideas. But you prepare the ground to let something grow. We can't push nor pull Plan C. But we can create the space to allow Plan C to arrive.

No, it's not passive. It's just subtle and without aggression.
