

Internship offer

## Internship at the International Theatre Institute Germany starting January 2023

Workshop tanz:digital – Process, Dynamics, Discourse

The [Media Library for Dance and Theatre](#) of the [International Theatre Institute – German Centre](#) holds one of the largest collections of audio-visual documentation in Germany presenting the contemporary performing arts. With our extended experience in the areas of digital technologies, documentation and archiving, we are happy to conduct our second workshop tanz:digital in cooperation with the [Dachverband Tanz Deutschland](#).

In the context of the preparations and the implementation of the workshop tanz:digital, we are currently offering a paid **three-month full-time internship (39 hr/week, 450 Euros) beginning January 5, 2023** in the field of organisation/documentation. The working place is in Berlin.

The workshop **tanz:digital - Process, Dynamics, Discourse** takes place February 5 – 7, 2023. It invites to an exchange of experiences on the artistic application of digital technologies. Contributions on topics such as augmented reality, robotics, motion capture, machine learning, score creation and virtual narration are represented.

### Application requirements:

- Good knowledge of the national and international dance scene
- Experience in organising workshops and/or symposia
- Very good knowledge of English
- Interest in the field of digital application within the dance area and dance documentation

### Offering:

- Working together with an enthusiastic team
- Gaining experience in the field of dance and digitality in an international surrounding

We particularly encourage those who are new to Germany to apply, especially those who had to leave their country of origin due to war or for political, social, or economic reasons. We also very much welcome applications from those facing structural exclusion or access barriers in the performing arts sector.

Please send your **application documents (short motivation letter and CV)** to Christine Henniger via e-mail [c.henniger@iti-germany](mailto:c.henniger@iti-germany) by November 30th. Don't hesitate to contact us in case of any further questions regarding the internship.
